# A New Option for Oregon Renters

Everyone goes through a time when tomorrow isn't certain. One of the best ways you can create stability for your future is by securing an affordable home. Homesharing gives you the opportunity to live in a more comfortable, established home than you could on your own, while also building a new friendship so you don't have to live life alone.

**All Home Share Oregon services are free to renters!**

We also offer these services to those who qualify:

- Assistance creating your home sharing profile
- Resources for move-in costs
- Tools for creating rental agreements

Home Share Oregon is a nonprofit program of the 501c3 organization Oregon Harbor of Hope. Our mission is to prevent housing instability, foreclosure, and homelessness through homesharing.

We use Silvernest technology to enable homeowners to find safe, compatible roommates to share their home, and our partner organizations help us support Oregon renters and homeowners with additional services for homesharing.

**Our Mission is to disrupt the housing crisis in Oregon by encouraging and incentivizing homeowners to become a valuable part of the solution.**

## Our services include

Rental listing service: list space in your home for rent to share with a roommate

Lease generator and rent payment processing

Secure messaging and background screens

Roommate matching based on compatibility and preferences

Mediation and homesharing support services

Additional support services for those who qualify

## A New Way for Oregonians to Build a Better Future

Oregon is in an affordable housing crisis that threatens a stable future for many of us. Home Share Oregon is the creative, cost-effective solution. Home sharing is a time-tested tradition that communities all over the world use to create homes for more people and bring the community together. With technology, we can connect homeowners with great renters and roommates while providing the support they need to thrive.

**1,000,000+** Owner-occupied Oregon homes have a spare bedroom.

**2%** If just a fraction of homeowners opened to these renters...

**20,000** ...vulnerable people could be housed and secure.

Now you can be part of the solution
